RESULTS TELL

There Can Be No Doubt About the Results in Barre.

Results tell the tale. All doubt is removed. The testimony of a Barre citizen can be easily investigated. What better proof can be had? Mrs. N. M. Nelson, 20 Merchant street, Barre, Vt., says: "A severe attack of la grippe left my kidneys in a weak condition. The least housework tired me or if I were on my feet a little while, sharp pains across my back compelled me to rest. Trouble from the kidney secretions also set in. I spent over one hundred dollars for doctor's treatment and various remedies, but I received no relief, and I became discouraged. One day a member of my family brought me a box of Doan's Kidney Pills and I began their use. The first few doses relieved the attack. Since then I have never been without Doan's Kidney Pills and when I use them, I obtain beneficial results. I always recommend Doan's Kidney Pills to my friends and acquaintances." (Statement given Nov. 10, 1905.)

Mrs. Nelson was interviewed on May 24, 1911, and she added: "The statement I previously gave regarding Doan's Kidney Pills still holds good. I cannot say too much in praise of this remedy for what it has done for me. I gladly confirm my former statement and I can recommend Doan's Kidney Pills more highly than ever."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.

It is expected that the new building will be ready to occupy the beginning of the spring term, and when completed the schools from the Summer street building will occupy the main building, and the graded school building will be disposed of in some way. A school tax of \$1.00 will be raised this year, which will pay the running expenses, and about \$5,000 on the indebtedness of the village for the new building. The new building will be placed in front of the present high school building on a line with the Methodist and Congregational churches, which bound it on either side, and the playground will be in the rear of the building.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.
